

How to Make Your Sefiras Ha'omer Count

Venue : online @ westmountshul.com

When: Begin listening Sunday April 9th

For: Men & Women on all levels

Given by: Rabbi Yossi Michalowicz

Description: Every year we are given the precious Mitzvah of counting the 49 days from Pesach to Shavuos - but do we really understand what we are doing? Does counting actually make you more prepared for Shavuos?

Listen or Download at your convenience each day to understand what spiritual muscle needs to be exercised each day.

Sefira starts on Pesach, therefor to benefit from the program, one must listen to two classes **BEFORE** Pesach.
