

Makos Review Lesson 71 - DAF 14B:

1. **Question:** Granted, Reish Lakish did not learn like R. Yochanan, for he has no tradition for the Gezerah Shavah.
 - However, why didn't R. Yochanan learn like Reish Lakish?
2. **Answer:** He holds that "b'Chol Kodesh Lo Siga" discusses Terumah. (And not Kodshim)
3. **Question:** Where does Reish Lakish learn that a Tamei is warned not to eat Terumah?
4. **Answer:** "Ish Ish mi'Zera Aharon v'Hu Tzaru'a Oh Zav ba'Kodoshim Lo Yochal";
 - **Question:** Why does it say "mi'Zera Aharon"?
 - **Answer:** The verse discusses something that all seed of Aharon (i.e. including women) may eat, i.e. Terumah.
 - R. Yochanan agrees that this forbids a Tamei to eat Terumah. He holds that "b'Chol Kodesh Lo Siga" forbids touching Terumah.
9. **Question:** (Reish Lakish cannot say that "b'Chol Kodesh Lo Siga" forbids a Tamei to eat Kodesh.) He uses it to forbid a Tamei to touch Kodesh! As we see from...
 - **Reish Lakish:** If a Tamei touches Kodesh he is lashed - "b'Chol Kodesh Lo Siga";
 - **R. Yochanan:** He is not lashed. That is a warning not to touch Terumah,
