For \$6 a name, you may choose to participate in sending a beautiful package to any member of the Shul Your name will be included in an e-mail prior to their package arriving.

Ahavas Yisroel BARGAIN!

For the incredible price of \$180 you can send to everyone in the Westmount Membership who is participating in the project.

The baskets will once again be anti BDS as we will be buying all the products from Israel. So you will be supporting the Shul & Israel.

Your participation in the program is tax receiptable.** We will not be making the smaller baskets to give out to the others this year, as we have found them to not be cost effective as a fundraiser.

Please fill out the form on the back & you are ready!

Packages will be delivered on Purim to those who live within these borders:
North to Major Mac /
South to Finch /
West to Dufferin /
East to Yonge.
Those who live outside these borders will be able to pick up their packages @ the office.

**All purchases over \$36 are tax receiptable!
