

The Efficient Seder for Those Who Must Make Haste:

Ideally, one should slowly go through the entire Haggadah. However, unique personal situations, such as having young children at the Seder, will require the sensitivity of the leader to efficiently move through the Seder. Below is a listing of the minimum amount that one must say from the Haggadah and still fulfill all the biblical and rabbinic requirements of the Seder. Page numbers are taken from the "Artscroll Family Haggadah."

1. Pg. 19 Sing "Kadesh Urchatz" – 15 steps of Seder
2. Pg. 20-21 Kiddush – first cup of wine
3. Pg. 22-23 Urchatz / Karpas
4. Pg. 24-25 Yachatz / "Ha Lachma Anya" / "Ma Nishtana"
