5785 SHUL FUNDRAISER:

Dear Friends,

It is that time of year again, when the Shul has its annual fundraiser to cover the shortfall between the Shul operational costs and what the membership & kiddush sponsorships pay. This year's expected shortfall is **\$250,000**. Instead of having many small fundraisers or raising membership rates, the Shul asks you for a one time pledge for the year in helping out. This will enable us to continue to offer superb Shabbos and weekday programs / classes, in spite of the rising costs of inflation. The majority of the operating costs go towards rental of the units we use and salaries. We are happy to show you the balance sheets of expenses & revenues upon request. Everything is very transparent.

Please remember that your membership dues do not even cover 50% of the Shul's operating costs. Therefore, we turn to those who are capable of helping us meet the annual shortfall. Please note that we only need to know now what you are pledging for the year, and that you need not contribute the entire pledge now. Please contact rabbimichalowicz@gmail.com with your pledge amount. We would appreciate to receive your pledge by Dec. 31.

We thank the **34** families that have already pledged even before we have opened up the campaign. Here is where we stand as we open the campaign:
